MEMORANDUM FOR: Director, Central Reference Service  
THROUGH : Deputy Director for Intelligence  
SUBJECT : Bicentennial Pamphlet  
REFERENCE : Memo to DDA fr D/CRS dtd 21 Nov 75,  
same subject

1. I wish to thank you for your note outlining the ground rules under which [REDACTED] will work on the Bicentennial pamphlet. While I have no problem with the conditions outlined, the phrase, "questionable activity," in paragraph one does give me some concern. It is my understanding this is perhaps not to be construed as a "questionable activity" in the context with which the Agency has been dealing with such activities, but rather questionable in terms of [REDACTED] dropping all his other duties and responsibilities during office hours in order to complete this project. I am in complete agreement that [REDACTED] carry on this project consistent with his other duties and responsibilities.
